

THE GUIDE TO

OUR PRODUCTS

Eric Twigg founded the company back in 1966 with a desire to sell quality products backed with excellent service. He started by selling cooked chickens door to door but soon saw an opening to supply fish and chips shops with more products than just the basic menu items they offered and also added Pukka Pies in 1967 after Eric became their first ever distributor.

Sadly Eric passed away in 2022 but his legacy lives on in this well established family run business with his son Matthew, Managing Director, being involved since 1989.

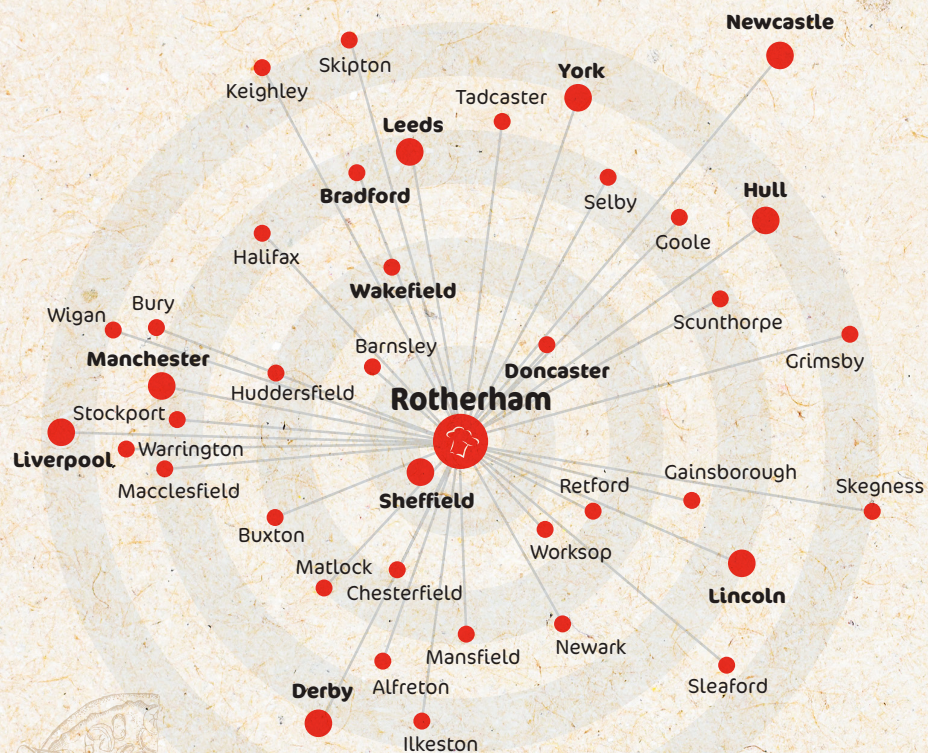

Now, we provide a comprehensive range of ambient, chilled and frozen quality products to the catering industry throughout the North of the UK. We have a wealth of knowledge, experience and a high reputation for customer service.

Eric braves the snow to make a delivery in the early 1980's
